Case No.C 05-01507 WHA

**~~JOINT PROPOSED~~ ORDER
REGARDING DISCOVERY DISPUTE**

A discovery dispute between Siliconix, inc., DENSO Corporation, and TD Scan (U.S.A.), Inc. was addressed by the Court on June 8, 2006. The Court, having considered the parties' papers, their arguments, and the evidence relating to the dispute, rules as follows:

1. Siliconix shall produce electronic documents on or before June 16, 2005.
2. Siliconix shall produce its Supplemental Order Paragraph 14 document search disclosure on or before June 16, 2006. TD Scan shall update its disclosure by the same date.
3. If there is a good faith basis for reopening a deposition due to the late production of documents by Siliconix, at the request of DENSO or TD SCAN, Siliconix must re-produce each deponent under its control or represented by its counsel for further deposition examination as to any new materials produced that are germane to that deponent and must bear the expense of doing so.
4. If, at the close of discovery, DENSO or TD SCAN have a good faith belief that Siliconix's document production is incomplete, they may depose up to five individuals to inquire into Siliconix's document search and production at the expense of Siliconix.

IT IS SO ORDERED.

Dated: June 12, 2006

The Honorable William H. Alsup
United States District Judge
